Request for Quote

Response Due by 4:30 PM Friday, August 21, 2009

Our courthouse seeks to acquire 90 linear yards of fabric for a re-upholstering project. Labor is being bid separate so we are asking for quotes on the fabric only. The desired fabric quality is similar to that manufactured by Knoll Textiles, product number K110610, color: Spencer Red. Please send quotes specifically for this product or a product similar in all respects. Include delivery charges. We are a federal agency and exempt from all sales taxes.

Please forward quotes to: richard.reilly@wiwd.uscourts.gov
