

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

RONALD ROBINSON,

Plaintiff,

ORDER
00-C-379-C

V.

UNITED STATES OF AMERICA,

Defendant.

Plaintiff has filed a motion titled “Motion Pursuant to Rule 60(b),” but the motion presents no grounds under Rule 60 for altering or amending the judgment entered in this case on December 5, 2001. Instead, plaintiff is challenging the dismissal of his appeal from the judgment for his failure to pay the \$105 fee for filing the notice of appeal as directed by the court of appeals. If plaintiff has a quarrel with the court of appeals about the propriety of dismissing his appeal for his failure to pay the filing fee, he will have to address his arguments to that court. This court has no authority to overturn a decision of the court of appeals.

ORDER

IT IS ORDERED that plaintiff's "Motion Pursuant to Rule 60(b)" is DENIED.

Entered this 11th day of July, 2003.
