On April 24, 2006, this court held a telephonic status and pretrial conference at which it reset the schedule for this case. Among other things, the court set January 15, 2007 as the deadline for filing dispositive motions, May 1, 2007 as the discovery cutoff, and May 29, 2007 as the trial date. *See* dkt. 650. Eight months later, on January 3, 2007, less than two weeks before the motion deadline, the parties filed a joint request for additional time, asking to push the motion deadline to February 16, 2006, with briefing to be completed by March 30, 2007. *See* dkt. 663.

The court will resist the urge to editorialize. The motion is DENIED.

Entered this 4<sup>th</sup> day of January, 2007.
