ORDER

05-C-04-C

Plaintiff Lindell has filed a "Renewed Notice and Motion for Preparation of Trial Transcripts and Circuit Rule 10(a) Motion." In this motion, plaintiff asks the court to rule on a document he filed on April 6, 2006, seeking the inclusion of certain specified documents in the record on appeal. In addition, he asks for an order directing the court reporter to provide plaintiff with a copy of the trial transcripts "within the next 10 days." (Plaintiff's motion is dated May 16, 2006.)

Plaintiff's request that certain specified documents be included in the record on appeal will be denied as unnecessary. All of the documents plaintiff identified already are

a part of the appeal record. In addition, plaintiff's motion for an order directing the court reporter to provide him a copy of the trial transcript within the next ten days will be denied as moot. The record reflects that the trial transcript was filed on May 22, 2006. A copy of the transcript should have been mailed to plaintiff that day.

ORDER

IT IS ORDERED that plaintiff's Circuit Rule 10(a) motion filed on April 2, 2006, is DENIED as unnecessary.

Further, IT IS ORDERED that plaintiff's "Renewed Notice and Motion for Preparation of Trial Transcripts and Circuit Rule 10(a) Motion." is DENIED as moot.

Entered this 26th day of May, 2006.
