

IN THE UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF WISCONSIN

-----  
WISCONSIN ALUMNI RESEARCH  
FOUNDATION,

Plaintiff,

v.

XENON PHARMACEUTICALS, INC.,

Defendant.  
-----

ORDER

05-C-242-C

Plaintiff Wisconsin Alumni Research Foundation has informed the court that it is accepting an award of \$300,000 as the amount of damages in this case. It specifies that the acceptance relates solely to the amount of money owed plaintiff for defendant Xenon Pharmaceuticals, Inc.'s grant of a sublicense to Novartis. Plaintiff requests the court to rule on its motion to amend the judgment, which was filed on June 6, 2005, to add prejudgment interest to the award of \$300,000. It has calculated the correct amount of prejudgment interest.

The clerk of court is directed to enter judgment in favor of plaintiff Wisconsin Alumni Research Foundation in the amount of \$300,000 as damages plus prejudgment

interest in the amount of \$73,414.76.

Entered this 12th day of September, 2006.
