ORDER

06-C-387-X

On March 20, 2007, this court held a telephonic status conference. Plaintiffs were represented by Attorney Ryan L. Woody. Defendants and third-party plaintiffs were represented by Terry L. Nussberger. Third-party defendants were represented by Attorney Francis M. Doherty.

I convened the status conference to clean up the schedule and remind counsel that their actions are governed by the directions and deadlines set in the preliminary pretrial

conference order. After obtaining input from all sides, I granted defendants'/third-party plaintiffs' leave to file an amended third-party complaint. I allowed third-party defendants until April 3, 2007 within which to supplement their pending motion to dismiss and brief in support. Third-party plaintiffs may have until April 20, 2007 within which to respond, with the reply due by April 30, 2007. Same-day service is required. Additionally, I allowed defendants one extra day, to March 23, 2007, within which to file and serve their response to plaintiff's motion for summary judgment. Plaintiff may have until April 2, 2007 within which to file and serve any reply.

The parties had no other matters to bring to the court's attention.

Entered this 21<sup>st</sup> day of March, 2007.
