ORDER

06-C-402-C

Counsel for plaintiff has written the court to ask whether trial in this case is postponed or whether a decision on that will be reserved until after defendants Donald Johnson, Kim Myers and First Products, Inc. have advised the court whether they have retained counsel to continue their representation.

I will reserve a ruling on postponing the trial until after April 23, 2007. Plaintiff is correct that if the individual defendants, Kim Myers and Donald Johnson, are unable to

retain counsel and will have to represent themselves, it is probable that the trial can go forward as previously scheduled.

Entered this 10th day of April, 2007.
