SECOND AMENDED  
SCHEDULING ORDER

06-C-611-C

---

At a May 15, 2007 telephonic status conference requested by the parties, the court modified the schedule to account for unanticipated delays that have beset this case.

First, the July 13, 2007 dispositive motion deadline is stricken. The court will reset this deadline after construing the disputed claims.

Second, the claims construction hearing is scheduled for July 20, 2007 at 9:00 a.m., with the exchange of disputed terms by July 2, 2007, first briefs due July 9, 2007 and responses due by July 16, 2007.

Third, although I declined to set firm deadlines for expert disclosures, the parties should anticipate due dates in mid- to late August.

Entered this 15<sup>th</sup> day of May, 2007.
