

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

TECHMASTER, INC.,

Plaintiff,

v.

COMPACT AUTOMATION
PRODUCTS, LLC.,

Defendant.

ORDER

06-C-626-C

A hearing was held in this case on November 14, 2006 before United States District Judge Barbara B. Crabb. Plaintiff appeared by Roberta Howell and Elizabeth Pevehouse. Defendant appeared by Steven Streck.

Plaintiff had moved for an extension of the temporary restraining order. Defendant opposes the motion but is willing to allow it to be extended through Tuesday, November 21, 2006, when a hearing on the motion for preliminary injunction will be held at 2:00 p.m. Plaintiff's counsel assured defendant's counsel that he could talk with persons at Compact Automation Products, LLC., provided the subject of the conversations was related solely to this litigation.

Defendant's brief in response is due Thursday, November 16, 2006. If the parties wish to do any other briefing, they are to submit their briefs no later than noon on November 20, 2006.

Each party will be allotted one hour to present its case at the hearing

I did not rule on the motion for expedited discovery because it appears that the parties can work out their differences on discovery without court intervention.

Entered this 16th day of November, 2006.
