ORDER

07-C-334-S

On February 5 and 6, 2007, this court held telephonic status conferences with counsel for all parties in this case. The parties inquired whether they could have two extra weeks on the calendar if they consented to my jurisdiction over the trial. I said yes. We moved the trial date to March 10, 2008 at 9:00 a.m. Final pretrial conference shall be March 6, 2008 at 1:30 p.m. The parties may appear telephonically, but should alert the court if that is their choice. Submissions for the final pretrial conference should be filed and served no later than March 3, 2008.

As discussed at the first hearing, the parties must commemorate their consent to transfer in writing with a signature for each party. If the parties successfully resolve this case short of trial, then they should promptly notify the court so that we can call off the venire pool.

Entered this 7th day of February, 2008.
