ORDER

08-cv-39-bbc

Paul Wojcicki has filed a motion for leave to withdraw as counsel for defendant Alfa Leisure, Inc. in this matter. Before granting the motion, I will need to know whether defendant has any objection to it and if so, the grounds for its objections. In addition, I need assurance from defendant that it understands the consequences of its decision, including the requirement that it may only appear by counsel.

Therefore, I will reserve a ruling on the motion for leave to withdraw until defendant

has had an opportunity to advise the court whether it objects to the withdrawal of counsel and on what grounds or, alternatively, that it does not object and has either engaged new counsel or is in the process of doing so. If defendant does not respond to this opportunity to be heard by May 17, 2008, I will assume it has decided to allow judgment to be entered against it on plaintiff's claims and to dismiss its third-party claims against third-party defendant Craft's Trading Center, Inc., with prejudice. In that event, I will direct the clerk of court to enter judgment in favor of plaintiff.

Entered this 6th day of May, 2008.
