v.

L.L.C, a limited liability corporation,

Defendant.

ORDER

08-cv-393-bbc

On December 10, 2008, this court held a telephonic hearing on the receiver's motion to enforce the injunction. Counsel for the receiver could not participate but counsel for CWCcapital was able to report the receiver's position. Counsel for the executor of the decedent's personal estate in Illinois also participated.

After getting input from all concerned, we reached a consensus: it is ORDERED that the estate shall transfer to the receiver all Funds currently being held in trust.

The court will hold another telephonic status conference on December 22, 2008 at 9:30 a.m. Between now and then, the affected entities are to share relevant information about

the imminent sale of the property, the disbursement of funds, and to determine if any disputes remain for resolution in this court. If the parties jointly report that no federal court action is necessary, I will cancel the hearing. If the parties prefer to report orally either that there are no disputes, or that disputes remain that require court action, we will address those concerns at the next hearing.

Entered this 10th day of December, 2008.
