

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

NOVOZYMES A/S and NOVOZYMES
NORTH AMERICA, INC.,

Plaintiffs,

v.

DANISCO A/S, GENENCOR
INTERNATIONAL WISCONSIN,
INC., DANISCO US INC. and
DANISCO USA INC.,

Defendants.

ORDER

10-cv-251-bbc

Plaintiffs Noyozymes A/S and Novozymes North America, Inc. have moved for an emergency order to compel and for a protective order, asserting that defendants Danisco A/S, Genencor International Wisconsin, Inc., Danisco US Inc. and Danisco USA Inc. failed to provide a complete response to plaintiffs' Interrogatory No. 3. Plaintiffs ask also for an 21-day extension of time in which to file their expert report on infringement. Although defendants' conduct in this matter is far from exemplary, in light of their prompt submission of their response to Interrogatory No. 3 (four days after this motion was filed), I will deny plaintiffs' emergency motion to compel, as well as their request for an extension of time for

filing their expert infringement report.

Defendants are admonished to be more cognizant of their discovery obligations and their duty to work cooperatively with plaintiffs.

ORDER

IT IS ORDERED that plaintiffs' motion for an emergency order to compel and for a protective order, dkt. #214, is DENIED.

Entered this 22d day of March, 2011.
