

IN THE UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF WISCONSIN

---

PHYLLIS JOHNSON,

Plaintiff,

v.

ORDER

10-cv-426-wmc

MERITER HEALTH SERVICES  
EMPLOYEE RETIREMENT PLAN and  
MERITER HEALTH SERVICES, INC.,

Defendants.

---

The court is in receipt of plaintiffs' motion for extension of time to file a reply in support of their motion for summary judgment and to set a briefing schedule on two pending motions filed by defendants. (Dkt. #365.) Without crediting plaintiffs' gloss on its reasons for the request, the court will GRANT plaintiffs' motion. Plaintiffs' reply in support of its motion for summary judgment (dkt. #300) is now due March 21, 2014. Plaintiffs' responses to defendants' two pending motions (dkt. ##359, 360) are also due March 21, 2014. To make things fair, the deadline for defendants' reply to its own motion for summary judgment (dkt. #302) also will be extended to March 21, 2014. To insure that this additional time is well spent in honing down the actual, material disputed issues of law and fact, plaintiffs' reply brief is limited to no more than 50 pages and defendants' brief is limited to no more than 25 pages. Both sides shall use the same formatting and type size as their opening briefs. **No further extensions will be provided for any reason.**

Entered this 6th day of March, 2014.
