PRELIMINARY PRETRIAL  
CONFERENCE ORDER

11-cv-162-bbc

---

At the June 29, 2011 unrecorded telephonic preliminary pretrial conference, the court agreed with the parties that this petition is amenable to disposition by motion practice without a trial. The court further understands that the parties will be moving to consolidate the motions practice in this case with the companion case, which presently is to be transferred into this court from Wyoming.

Respondent's motion to dismiss and supporting brief in both cases shall be filed and served not later than September 15, 2011, with the response due not later than October 17, 2011 and the reply due by October 31, 2011.

In the event the court does not dismiss the cases, then summary judgment motions must be filed and served within 28 calendar days after the court enters its order on dismissal, with responses due 28 days later, and replies due 14 days after the response is filed.

The parties had no other matters to bring to the court's attention.

Entered this 29<sup>th</sup> day of June, 2011.
