A status conference was held in this by telephone on May 13, 2013, to discuss the issues for the court trial scheduled for June 3, 2013. All parties were represented by counsel.

At the conference, counsel advised the court that there are no issues of fact or law in dispute in this case. The only issue remaining is to determine defendant Hall's ability to pay the judgment owed under the pension and health plan. Counsel informed the court that they anticipate resolving this issue without court intervention but requested more time in which

to do so. The court granted the request and continued the trial until June 17, 2013, at 9:00 a.m.
