

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

CARNES COMPANY, INC.,

Plaintiff,

v.

STONE CREEK MECHANICAL, INC.,

Defendant.

ORDER

02-C-0208-C

In a letter dated December 18, 2003, defendant's counsel has advised the court that his review of the revised statements filed by Sweeney & Sweeney do not eliminate amounts for duplicative work. My own review of the invoices shows that defendant's counsel's objection is valid. I regret that I overlooked this when I entered the order on December 18, 2003, approving the amount sought by Sweeney & Sweeney.

It appears that all of the time Sweeney & Sweeney spent from February 4, 2003, through June 18, 2003, is duplicative of work done by Haley Palmersheim. Accordingly, I will delete it from the award of attorney fees. According to my calculations, the amount to be deleted is \$12,550.00.

The order entered on December 18, 2003, should be amended as follows: On page

2, the paragraph headed "Order" is amended as follows:

IT IS ORDERED that plaintiff Carnes Company, Inc., is awarded attorney fees and costs of \$219,614.74. The clerk of court is directed to enter judgment for plaintiff, to include this award of attorney fees and costs.

In all other respects, the order remains as entered on December 18, 2003.

Entered this 22nd day of December, 2003.

BARBARA B. CRABB
District Judge
