ORDER

01-C-209-C

Presently before the court is plaintiff's "Notice and Motion to Permanently Waive Fees/Costs in These Cases, Refund Fees/Costs Already Paid and Unfreeze His Prison Account." Plaintiff has filed the identical motion in four cases, Nos. 01-C-209-C, 01-C-521-C, 02-C-21-C, and 02-C-473-C. (Plaintiff's name does not appear in the caption of 01-C-521-C because he voluntarily withdrew from that case, but only after incurring an obligation to pay a share of the filing fee). As the title of his motion indicates, plaintiff seeks to be relieved from the financial obligations he incurred when he filed these cases. I have reviewed the substance of plaintiff's motion and it is frivolous. Accordingly, plaintiff's motion is DENIED.

Entered this 18<sup>th</sup> day of September, 2002.

District Judge
