MEMORANDUM

02-C-426-C

In an order dated December 26, I advised plaintiff that he could not proceed on appeal without paying the \$105 filing fee, because he has “struck out” under 28 U.S.C. § 1915(g). I advised plaintiff that if he failed to pay the fee on or before January 10, 2003, I would notify the court of appeals of that fact so that it could take whatever action it believes is appropriate with respect to plaintiff’s appeal. This would include the possible imposition of additional sanctions on plaintiff as permitted by Alexander v. United States, 121 F.3d 312 (7th Cir. 1997) and Support Systems International, Inc. v. Mack, 45 F.3d 185 (7th Cir. 1995). Plaintiff has not paid the fee or explained his failure to do so. Accordingly,

I am notifying the court of appeals in this memorandum that plaintiff has failed to pay the fee for filing his appeal as directed.

Entered this 27th day of January, 2003.
