

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

UNITED STATES OF AMERICA,

Plaintiff,

v.

DUANE WILLIAM MORGAN,

Defendant.

ORDER

02-cr-13-bbc

Defendant Duane William Morgan has written to the court to ask for early termination of the term of supervised release imposed on him on September 3, 2002, dkt. #33. From the record, it appears that defendant has made significant efforts to comply with all of his conditions of release and that he has made positive changes in his life, including maintaining full time employment and earning a college degree. His request is supported by the probation officer from this district and the government has not filed any objection to the motion. All of this persuades me that his request should be granted.

ORDER

IT IS ORDERED that defendant Duane William Morgan's request for early

termination of his supervised release is GRANTED.

Entered this 26th day of February, 2015.
