

IN THE UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF WISCONSIN

-----  
YANCEY L. WHITE,

Petitioner,

v.

WARDEN SCIBANA, F.C.I. Oxford,

Respondent.  
-----

ORDER

03-C-581-C

When he filed this petition for a writ of habeas corpus, petitioner was proceeding pro se. On January 13, 2004, I issued an order requiring respondent to show cause why the petition should not be granted. Now Michael Gonring and Emily Feinstein, lawyers with the law firm of Quarles & Brady LLP, have filed a notice of their appearance as counsel for petitioner White. They request an opportunity to submit a “memorandum explaining the legal underpinnings of the issues raised in the petition.” I understand counsel to be requesting an opportunity to brief the merits of petitioner’s petition. That request will be granted.

Accordingly, IT IS ORDERED that petitioner may have until February 18, 2004, in which to serve and file a brief in support of the petition. Respondent may have until

March 3, 2004, in which to file an opposing brief. Petitioner may have until March 12, 2004, in which to serve and file a reply.

Entered this 4th day of February, 2004.

BY THE COURT:

BARBARA B. CRABB  
District Judge
