Defendants.

A hearing was held in this case on December 18, 2003, before United States District
Judge Barbara B. Crabb on issues relating to service. Richard Briles Moriarty appeared for
plaintiff. Lester Pines and Tamara Packard made a special appearance, emphasizing that

they did not represent defendants.

Mr. Pines advised the court that none of the defendants has hired him to represent him or her in this lawsuit. Mr. Moriarty believes that no such request is necessary because this case is in the nature of a proceeding filed in this court in 1999.

Because it would be necessary to determine the relationship of this case to the 1999 case before determining whether service of process is necessary in the case and because plaintiff wants a prompt determination of its motion for preliminary injunction, Mr. Moriarty has agreed to either serve each of the defendants personally or mail a copy of the summons and complaint together with a waiver of service.

Until service has been accomplished and defendants have made a decision about counsel, all previously set deadlines are held in abeyance.

Entered this 19th day of December, 2003.

BARBARA B. CRABB
District Judge
