

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

UNITED STATES OF AMERICA,

Plaintiff,

v.

ARIC BOTHUN,

Defendant.

ORDER

03-CR-0083-C

Although defendant Aric Bothun did not file any written objections to the report and recommendation entered herein by the United States Magistrate Judge on October 9, 2003, he asked at his plea proceeding to have his general objection to the recommendation noted on the record, solely for the purpose of appeal. I agreed to this untimely request. Of course, in the absence of any specific objections, I cannot know why defendant is objecting to the report and recommendation. My own review uncovered no error in the magistrate judge's careful evaluation of defendant's motion to suppress evidence derived from a search of a package sent to defendant's private mailbox.

ORDER

IT IS ORDERED that defendant Aric Bothun's objection to the report and recommendation entered by the United States Magistrate Judge is DENIED; I ADOPT the recommendation; and defendant's motion to suppress the evidence derived from the search of his package is DENIED.

Entered this 27th day of October, 2003.

BY THE COURT:

BARBARA B. CRABB
District Judge
