

IN THE UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF WISCONSIN

-----  
TERRAN BAKER,

Petitioner,

v.

JOSEPH SCIBANA, Warden,

Respondent.  
-----

ORDER

04-C-751-C

In White v. Scibana, 314 F. Supp. 2d 834 (W.D. Wis. 2004), I concluded that the Bureau of Prisons was acting contrary to 18 U.S.C. § 3624(b) by calculating petitioner Yancey White's good conduct time on the basis of the actual time he had served rather than his imposed sentence. I granted White's petition for a writ of habeas corpus under 28 U.S.C. § 2241 and ordered the warden to recalculate White's good conduct time in accordance with § 3624(b).

Like White, petitioner Terran Baker is an inmate at the Federal Correctional Institution in Oxford, Wisconsin. His petition raises the same issue as that in White: he alleges that the bureau is calculating his good conduct time on the basis of time served rather than the sentence imposed. Petitioner has paid the \$5 filing fee.

In support of his petition, petitioner has submitted a sentence computation data sheet

prepared by the Bureau of Prisons. Unfortunately for petitioner, his sentence computation report shows that he is not entitled to any good conduct time. Petitioner is currently serving a one-year term for a violation of his supervised release. Under 18 U.S.C. § 3624(b), an inmate is not eligible to earn good conduct time unless he is serving a sentence of more than one year. Therefore, the holding in White does not apply to him.

ORDER

IT IS ORDERED that Terran Baker's petition for a writ of habeas corpus under 28 U.S.C. § 2241 is DISMISSED.

Entered this 12th day of October, 2004.

BY THE COURT:

BARBARA B. CRABB  
District Judge
