

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

UNITED STATES OF AMERICA,

Plaintiff,

v.

MICKEY RANDLE,

Defendant.

ORDER

04-cr-188-bbc

Defendant Mickey Randle has filed a motion pursuant to 18 U.S.C. § 3582, seeking a reduction of the sentence imposed upon him in this court on April 29, 2009. The motion will be granted.

When defendant was sentenced in 2009, his term of imprisonment was 316 months, which was at approximately the one-third point of the sentencing guideline range of 292 to 365 months. Under the amended guidelines, defendant has an advisory guideline range of 235 to 293 months.

Defendant has asked for a sentence of 235 months, at the bottom of the amended sentencing range. The government argues for a decrease to 254 months, which is approximately the one-third point of the amended range.

I agree with the government that a sentence one-third from the bottom of the amended guideline range would be sufficient to protect the community, provide defendant the opportunity for substance abuse counseling and other rehabilitative programs, including vocational training, and achieve parity with the sentences of similarly situated offenders.

ORDER

IT IS ORDERED that the judgment and commitment order signed on April 29, 2009 is AMENDED to provide that the sentence imposed on defendant Mickey Randle is reduced to 254 months. In all other respects, the judgment and commitment order remains as signed on April 29, 2009.

Entered this 22d day of November, 2011.

BY THE COURT:
