

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

ROBERT R. OLESON,

Plaintiff,

v.

UNITED STATES OF AMERICA,

Defendant.

ORDER

05-C-33-C

The government has moved for leave to disclose its expert witnesses *instanter*. That motion is GRANTED. The government is not calling any technical or scientific witnesses, only plaintiff's health care providers, who might testify about examining and treating plaintiff. Plaintiff has access to his own medical records and discovery continues for several more months. So, although the government's neglect of its deadline is troubling, it has not affected the schedule and has not prejudiced the plaintiff.

Entered this 20th day of December, 2005.
