

IN THE UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF WISCONSIN

---

UNITED VACCINES, INC.,

Plaintiff,

v.

AMENDED SCHEDULING ORDER

05-C-604-C

DIAMOND ANIMAL HEALTH, INC.,  
and HESKA CORPORATION,

Defendants.

---

On May 26, 2006, defendants' lead attorney realized that the trial date, set last November with input from both sides, was inconvenient for her. This court is unsympathetic to untimely scheduling epiphanies, but because the court's fall trial schedule has loosened up, there is no point in punishing counsel for being asleep at the switch.

Therefore, it is ORDERED that jury selection and trial in this case shall begin Tuesday, October 10, 2006 at 9:00 a.m. Settlement letters are due September 1, 2006, and the final pretrial conference will be held October 5, 2006 at 4:00 p.m. All other dates, procedures and directives contained in the preliminary pretrial conference order remain in effect.

Entered this 8<sup>th</sup> day of June, 2006.
