

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

A. LANCE PETRO,

Plaintiff,

ORDER

v.

05-C-671-C

STATE OF WISCONSIN
DEPARTMENT OF NATURAL
RESOURCES, GREG PITTZ, in his
individual and official capacities,
DARRELL BAZZELL, in his individual
capacity, and PAUL SCOTT HASSETT,
in his official capacity as Secretary of the
Department of Natural Resources,

Defendants.

On July 21, 2006, plaintiff, by counsel, moved *post hoc* for a seven-day extension of his July 14, 2006 deadline to respond to defendants' summary judgment motion. Asking for an extension after time has run is a risky proposition in this court, but in this case I will grant the extension.

The problem, however, is that according to defendants, plaintiff has not actually completed the filing and service of his response's attachments. Plaintiff may have until noon on Tuesday, July 25, 2006, to perfect filing and service of every document he wishes the court and defendant to consider as part of his response. Any document filed or served after

this deadline is a nullity. Defendants may have until close of business on August 4, 2006, within which to file and serve its complete reply. No further extensions are possible under the current schedule, so no further extensions will be granted.

Entered this 24th day of July, 2006.
