ORDER

05-C-0701-C

Petitioner Antwan Manuel has written to the court to say that he will not be filing any objections to the report and recommendation of the United States Magistrate Judge although he disagrees with the conclusions. He states that he has been unable to compose a written objection in the short time provided for him.

I will construe this letter as a request for additional time in which to file objections. Petitioner may have until June 2, 2006, in which to file and serve any objections that he has

to report and recommendation.

Entered this 2d day of May, 2006.
