ORDER

v.

06-C-0062-C

TOMTOM, INC.,

Defendant,

TOMTOM, INC. and
BALDIVI B.V.,

Counterplaintiffs,

v.

GARMIN LTD.,
GARMIN CORPORATION, and
GARMIN INTERNATIONAL, INC.

Counterdefendants.

The parties have submitted a joint motion, requesting that a trial on willfulness be

held separately from a trial on damages. Specifically, if the jury finds that either side is liable for damages, the parties propose holding a trial on willfulness approximately one month later, with discovery on that issue to be held in the interim. The parties' motion is GRANTED. If one is necessary, a trial on the issue of willfulness will be held on March 19, 2007. The parties should note that a new jury will be called to determine the issue of willfulness.

Entered this 15th day of December, 2006.
