

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

PAUL FAZZINI,

Petitioner,

v.

ORDER

WARDEN OF FCI OXFORD and
U.S. PAROLE COMMISSION,

06-C-439-S

Respondents.

Petitioner moves reconsideration of this Court's order denying his request to have the U.S. Marshal serve his fifteen subpoenas. Rule 45(a)3), Federal Rules of Procedure, requires the Clerk of the Court to sign subpoenas. In petitioner's case he submitted fifteen subpoenas signed by him rather than the Clerk of the Court. These subpoenas do not comport with Rule 45(a)(3) and cannot be served.

Further, petitioner has other means of obtaining this information either through discovery or requesting copies of public records from the District Court for the Northern District of Illinois or the United States Court of Appeals for the Seventh Circuit. The Court is not convinced by petitioner's argument that the information he is requesting is necessary to the issues in his petition. Accordingly, petitioner's motion for reconsideration will be denied.

Fazzini v. Warden, 06-C-439-S

ORDER

IT IS ORDERED that petitioner's motion for reconsideration is DENIED.

Entered this 25th day of October, 2006.

BY THE COURT:

S/

JOHN C. SHABAZ
District Judge
