

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

JAVIER R. SALGADO,

Plaintiff,

MEMORANDUM

v.

06-C-598-C

GREGORY GRAMS, Warden; JANEL NICKEL,
Security Director; SEAN SALTER, Adm. Captain;
STEVE CASPERSON, Administrator; DAN
WESTFIELD, Security Chief; MATTHEW FRANK,
Secretary of D.O.C.,

Defendants.

In an order dated July 25, 2007, I denied plaintiff's motion for an extension of time in which to file a response to defendants' motion for summary judgment. In that order, I noted that the trial date in this case was in September. As it turns out, that date was listed erroneously in the court's electronic docketing system; the actual trial date is November 5. Nevertheless, that oversight does not change my decision. Plaintiff has had more than ample time to file a response but has failed to do so. When the magistrate judge granted plaintiff's first motion for an extension of time, he warned plaintiff that no further extensions would

be granted. Defendants' motion for summary judgment remains under advisement.

Entered this 26th day of July, 2007.
