

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

SILICON GRAPHICS, INC.,

Plaintiff,

v.

ATI TECHNOLOGIES ULC,

Defendant,

and

ATI TECHNOLOGIES ULC,

Counterclaim Plaintiff,

v.

SILICON GRAPHICS, INC.,

Counterclaim Defendant.

AMENDED
SCHEDULING ORDER

06-C-611-C

Judge Crabb has reviewed the parties' recently-filed motions and scheduling requests. As a result, the court is amending the schedule by postponing the claims construction hearing until after the court has ruled on ATI's motion to dismiss and motion for summary judgment.

The briefing on the motion to dismiss remains as discussed on March 16, 2007: SGI's response is due March 26, 2007 and ATI's reply is due April 2, 2007.

Firmer briefing must be set on ATI's March 8, 2007 motion for summary judgment. SGI may have until April 6, 2007 within which to file and serve all responsive documents. ATI may have ten calendar days after service of the response within which to file and serve its reply. Obviously, the parties will not have the benefit of any claims construction by the court prior to filing their remaining submissions on this motion.

The April 11, 2007 claims construction hearing is stricken from the calendar. The court will re-schedule this hearing in consultation with the parties after ruling on the two pending motions. The rest of the previously-set schedule remains in place.

Entered this 19th day of March, 2007.
