Counterclaim Plaintiff,

v.

SILICON GRAPHICS, INC.,

Counterclaim Defendant.

OMNIBUS AMENDED
SCHEDULING ORDER

06-C-611-C

As feared, we have reached a bottleneck that requires an overhaul of the schedule. All remaining dates in the schedule are stricken and replaced with dates jointly proposed by parties, as follow. The preliminary pretrial conference order remains in effect in all other respects.

1. Claims Construction Hearing: August 31, 2007 at 9:00 a.m.
2. Disclosure of All Expert Reports: October 4, 2007

The parties might extend this deadline depending on how quickly the court construes the claims.

3. Summary Judgment Motion Deadline: October 5, 2007.¹

¹ The parties did not propose a new summary judgment motion deadline. The court's default position is a deadline four months before the trial date. This deadline is not moving, so if it affects the parties' other proposed dates, then they had better alert the court forthwith.

3. Settlement Letters: November 13, 2007.
4. Discovery Cutoff: November 30, 2007.
5. Final Pretrial Conference: January 31, 2008 at 4:00 p.m.
6. Trial: February 4, 2008 at 9:00 a.m.

Entered this 28th day of June, 2007.
