

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

UNITED STATES OF AMERICA,

Plaintiff,

v.

LARRY HENDRIX,

Defendant.

PRETRIAL MOTION
HEARING ORDER

06-CR-054-C

On July 7, 2006, this court held the pretrial motion hearing and an evidentiary hearing. Defendant Larry Hendrix was present with his attorney, Thomas Wilmouth. The government was represented by Assistant United States Attorney Paul Connell.

The first order of business was determining Hendrix's competency. The parties have received and reviewed Dr. Robbins's June 10, 2006 competency report. Hendrix, by counsel, advised that he did not dispute the report and did not oppose a finding of competency. The government took the same position. Accordingly, I found Hendrix competent to be tried in this case.

After taking a discovery proffer, we addressed Hendrix's three substantive motions (dks. 14-16). All three will be briefed according to this schedule: Hendrix's first brief(s) must be filed and served not later than July 17, 2006. The government must file and serve any response(s) not later than July 28, 2006, with any defense reply filed and served by August 4, 2006. It is possible that additional briefing will be necessary depending on how

the court rules on Hendrix's *Franks* challenge to the confidential informant's veracity as reported in the search warrant affidavit. The government must disclose any expert witnesses not later than August 14, 2006, with any defense expert disclosure not later than August 28, 2006. The parties had no other matters to bring to the court's attention.

Entered this 10th day of July, 2006.
