

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

UNITED STATES OF AMERICA,

Plaintiff,

v.

DARRELL LOGAN,

Defendant.

ORDER

06-cr-64-bbc

Defendant Darrell Logan has filed a motion for reconsideration of the court's January 7, 2014 order denying his motion under 18 U.S.C. § 3582. Motions for reconsideration of denials of § 3582 motions must be filed within the time allowed under Fed. R. App. P. 4(b) for filing an appeal of a denial of a motion in a criminal case, that is, within 14 days of the date on which the order was entered. United States v. Redd, 630 F. 3d 649, 650 (7th Cir. 2011). The order defendant is challenging was entered on January 7, 2014, but his motion for reconsideration was not filed until February 5, 2014, so it must be denied as untimely. Defendant's motion must be dismissed as untimely. In any event, even if it were timely, I would deny it on the merits. Nothing in the motion persuades me that it was error to dismiss defendant's motion.

ORDER

IT IS ORDERED that defendant Darrell Logan's motion for reconsideration is

DENIED as untimely.

Entered this 11th day of February, 2014.

BY THE COURT:
