

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

RODOSVALDO POZO,

Plaintiff,

v.

ORDER

CINDY SAWINSKI, DR. COX,
THOMAS BOSTON and RICHARD SCHNEITER,

06-C-206-S

Defendants.

Plaintiff moves for appointment of counsel. In Farmer v. Haas, 990 F.2d 319, 322 (7th Cir. 1993), the Court provided the following standard for appointment of counsel, "given the difficulty of the case, did the plaintiff appear to be competent to try it himself and, if not, would the presence of counsel have made a difference in the outcome."

Although plaintiff alleges that the defendants were deliberately indifferent to his serious medical need and deprived him visits, it appears at this stage that plaintiff is competent to try the case himself. The Court will deny plaintiff's motion for appointment of counsel.

ORDER

IT IS ORDER that plaintiff's motion for appointment of counsel is DENIED.

Entered this 12th day of June, 2006.
