On May 13, 2008, this court held an unrecorded telephonic status conference to discuss with the attorneys in these consolidated lawsuits what needs to happen next. The consensus was that the existing dates in the first-filed lawsuit should be kept for this consolidated proceeding. Therefore, the existing schedule remains in place with no changes. The parties had no other matters to bring to the court's attention.

Entered this 13th day of May, 2008.
