

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

ROGER KUBSCH,

Petitioner,

v.

DOUG BELLILE,

Respondent.

ORDER

07-C-419-C

This case is closed. A judgment of dismissal was entered on August 6, 2007, after I determined that petitioner's constitutional rights had not been infringed when respondent threatened to transfer him to the Wisconsin Resource Center if he failed to take financial responsibility for damage he caused to property. Now petitioner has filed a document postmarked September 24, 2007, which appears to be a typed copy of the handwritten complaint he filed in this case, with slight variations.

Because petitioner's recent submission does not raise any new claims or request any relief that would require further action from the court, I am placing the document in the file

and will give it no further consideration.

Entered this 26th day of September, 2007.
