

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

KENNETH WENGER,
TRANSPORTATION INSURANCE
CORPORATION and CNA INSURANCE
COMPANY,

Plaintiffs,

v.

CROWN EQUIPMENT CORPORATION,

Defendant.

ORDER

07-cv-506-bbc

The parties in this case have filed a stipulation extending plaintiffs' deadline for naming expert and lay witnesses, with reports, to June 20, 2008 and for defendant to July 31, 2008. The parties also seek to move the trial date from September 22, 2008 to sometime in December 2008.

The requests for extension of time for naming expert and lay witnesses, including reports, are GRANTED.

The request that the trial be continued until December 2008 is DENIED. The court's schedule will not accommodate a December trial. If the parties wish, they may have a

December trial date before United States Magistrate Judge Crocker, who has time available to try the case that month. The parties may have until June 6, 2008 in which to advise the court of their decision.

Entered this 29th day of May, 2008.
