

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

KRAFT FOODS HOLDINGS, INC.,

Plaintiff,

ORDER

v.

THE PROCTOR & GAMBLE COMPANY,

07-cv-613-bbc

Defendant

On April 16, 2008, this court held a recorded telephonic hearing on defendant's motion to compel discovery, *see* dkt. 71. Both sides were represented by counsel. Prior to the hearing, I read the parties' submissions and followed up with a free-flowing discussion during the hearing. As a result of the information provided, I granted the motion in part and denied the motion in part in the fashion and for the reasons stated during the hearing. I simply note for clarity that I imposed a April 25, 2008 deadline on plaintiff's supplemental responses to RFAs 89-97. Given the time constraints under which the parties are operating, they are directed to bring additional discovery disputes to the court's attention as soon as it is clear that they cannot quickly reach resolution on their own. The parties had no other substantive matters to bring to the court's attention. Each side will bear its own costs on this motion.

Entered this 17th day of April, 2008.
