

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

UNITED STATES OF AMERICA,

Plaintiff,

v.

TIMOTHY SWEETLAND,

Defendant.

ORDER

07-cr-116-bbc

Defendant Timothy Sweetland has written to the court to ask for early termination of the term of supervised release imposed on him on February 13, 2008, dkt. #68. From the record, it appears that defendant has made significant efforts to comply with all of his conditions of release and that he has made significant positive changes in his life, including maintaining full time employment. His request is supported by the probation officer from this district. All of this persuades me that his request should be granted.

ORDER

IT IS ORDERED that defendant Timothy Sweetland's request for early termination

of his supervised release is GRANTED.

Entered this 22d day of August, 2014.
