

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

UNITED STATES OF AMERICA,

Plaintiff,

v.

BYRON G. PETERSON,

Defendant.

ORDER

07-CR-129-C

On November 8, 2007, this court held an unrecorded telephonic conference with both attorneys to discuss the problems both have encountered with obtaining usable discovery with the investigative agencies. In light of the problems outlined by the parties, I granted their request to strike the motions deadline and to strike the November 15 pretrial motion hearing. Once usable discovery has been obtained and Attorney Lieberman has had the opportunity to review it, the parties will propose a new motions deadline and hearing date to the court. For now, and hopefully hereafter, the remainder of the schedule remains in place.

Entered this 9th day of November, 2007.
