---

In an order entered in this case on August 19, 2008, I told petitioner that before I could consider his request to proceed *in forma pauperis* he would have to submit a trust fund account statement covering the entire six-month period preceding the filing of his complaint so that I could assess an initial partial payment of the \$350 fee for filing this case. Petitioner has submitted the requested statement. From the statement, I have calculated petitioner's initial partial payment to be \$32.64. If petitioner does not have the money to make the initial partial payment in his regular account, he will have to arrange with prison authorities to pay some or all of the assessment from his release account. This does not mean that petitioner is free to ask prison authorities to pay *all* of his filing fee from his release account. The only amount

petitioner must pay at this time is the \$32.64 initial partial payment. Before prison officials take any portion of that amount from petitioner's release account, they may first take from petitioner's regular account whatever amount up to the full amount petitioner owes.

ORDER

IT IS ORDERED that petitioner is assessed \$32.64 as an initial partial payment of the \$350 fee for filing this case. He is to submit a check or money order made payable to the clerk of court in the amount of \$32.64 on or before September 24, 2008. If, by September 24, 2008, petitioner fails to make the initial partial payment or show cause for his failure to do so, he will be held to have withdrawn this action voluntarily. In that event, the clerk of court is directed to close this file without prejudice to petitioner's filing his case at a later date.

Entered this 5<sup>th</sup> day of September, 2008.
