Defendants.

MEMORANDUM

08-cv-65-bbc

A hearing on the settlement of this case was held by telephone on September 25, 2008. Counsel advised the court that there had been a mix up in the mailing of the information to the insurance company but they are sure that this will not set back the final settlement for more than a week.

Counsel for plaintiff is to initiate a new telephone conference with the court and with defendants' counsel for 9:00 a.m., Thursday, October 2, 2008. If final settlement papers have been filed with the court before that date, the conference will not be held.

Entered this 26th day of September, 2008.
