On November 13, 2008, this court held the pretrial motion hearing. All three defendants were present and represented by counsel. The government was represented by Assistant United States Attorney Paul Connell.

Prior to the hearing, none of these three defendants filed any pretrial motions. Counsel confirmed that this was a tactical decision regarding each defendant, made after adequate review of the government's disclosures and adequate investigation of this case. None of the defendants requested a discovery proffer from the government. None of the defendants had any additional matters to bring to the court's attention.

Entered this 14th day of November, 2008.
