ORDER

10-cv-534-bbc

Plaintiff Jimmy Bridges has filed a motion for an extension of time to submit his response to defendants' motion for summary judgment, stating that he has been physically injured in a violent altercation and cannot perform his "legal obligations to [his] case right now due to [his] conditions. He attaches medical records showing that he has been prescribed pain medication and a sling to treat his damaged shoulder. Because of these injuries, and in light of the fact that I have previously granted an extension to defendants, IT IS ORDERED that plaintiff's motion, dkt. 40, is GRANTED. Plaintiff's new response deadline is January 28, 2012. Defendants will have until February 7, 2012 to file their reply. The trial date and related pretrial deadlines are STRICKEN. A new schedule will be set should the case proceed past the summary judgment stage.

Entered this 30<sup>th</sup> day of December, 2011.
