

IN THE UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF WISCONSIN

---

ROBERT EARL ALEXANDER,

Plaintiff,

v.

PAUL SUMNITCH and  
BELINDA SCHRUBBE,

Defendants.

---

MEMORANDUM

11-cv-153-slc

On May 25, 2012, I issued an order granting defendants' motion for summary judgment on the ground that plaintiff Robert Alexander failed to exhaust his administrative remedies, as required by 42 U.S.C. § 1997e(a). On July 9, 2012, I issued an order denying his motion for reconsideration. Now he has submitted a letter in which he states that prison staff is harassing him, delaying ruling on his new prison grievances and filing false conduct reports against him.

The court cannot take action about any of these complaints because they are not part of this lawsuit. If plaintiff wishes to file a new complaint containing any or all of these new allegations, he is free to do so, but this case remains closed.

Entered this 18<sup>th</sup> day of September, 2012.

STEPHEN L. CROCKER  
Magistrate Judge
