ORDER

11-cv-21-bbc

In reviewing the scheduling order for this case, I discovered that the responses to the motions in limine and other pretrial materials are due on March 11, 2014, which is only two days before the final pretrial conference. This schedule will not give me enough time to review the responses to the motions and prepare for the final pretrial conference. Accordingly, IT IS ORDERED that the scheduling order, dkt. #115, is AMENDED, so that Rule 26(a)(3) disclosures, as well as all motions in limine, proposed voir dire questions, proposed jury instructions, and proposed verdict forms shall be filed no later than February

28, 2014; responses are due on March 6, 2014.

Entered this 9th day of January, 2014.
