

IN THE UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF WISCONSIN

-----  
DENNIS LEE HOHOL,

Petitioner,

v.

Warden MICHAEL DITTMAN  
and Judge J. MAC DAVIS,

Respondents.  
-----

ORDER

11-cv-38-bbc

Petitioner Lee Hohol has filed a document styled as a petition for a writ of habeas corpus under 28 U.S.C. § 2254. In the petition he says that “some type of penalty or sanction” should be imposed against the state court judge who presided over his trial in 2002 for child sexual assault and child enticement. I cannot grant the relief petitioner seeks because § 2254 does not include a mechanism for sanctioning judges. To the extent petitioner is challenging his custody, I cannot consider that petition for the same reason that I could not consider his petition in case no. 10-cv-822-bbc: it is a successive petition that must be filed with the Court of Appeals for the Seventh Circuit in accordance with 28 U.S.C. § 2244(b)(3).

ORDER

IT IS ORDERED that petitioner Dennis Hohol's petition for a writ of habeas corpus is DISMISSED for lack of jurisdiction.

Entered this 14th day of February, 2011.

BY THE COURT:

/s/

BARBARA B. CRABB

District Judge
